**CONTINUATION OF COMPLAINT:****Ricardo FLORES-Garcia****PROBABLE CAUSE STATEMENT**

On May 26, 2008, at approximately 4:00 p.m., Border Patrol Agent K. Squires was performing assigned line watch duties within the El Cajon Border Patrol Station's area of responsibility when she noticed shoeprints on an unpaved roadway. Agent Squires determined that several people had traversed the road on foot very recently. Upon closer examination of the shoeprints, it became apparent that the persons who left them did so after entering the United States by jumping over the U.S./Mexico International Border Fence and continuing north on an established smuggling trail. The area immediately surrounding the location of the shoeprints is approximately one mile east of the Tecate, California Port of Entry and less than a mile north of the United States/Mexico International Border.

Agent Squires tracked the shoeprints for approximately three hours over a distance of approximately two miles. At approximately 7:00 p.m., Agent Squires encountered nine individuals attempting to conceal themselves in bushes. Agent Squires immediately identified herself as a United States Border Patrol Agent and conducted a brief field interview with each of the subjects. All nine, including one later identified as the defendant **Ricardo FLORES-Garcia**, admitted to being citizens and nationals Mexico without any immigration documents that would them to be in or remain in the United States legally. Agent Squires placed all nine subjects under arrest and arranged for them to be transported to the U.S. Border Patrol Tecate Office for processing.

Routine record checks of the defendant revealed a criminal and immigration history. The defendant's record was determined by a comparison of his criminal record and the defendant's current fingerprint card. Official immigration records of the Department of Homeland Security revealed the defendant was previously deported to **Mexico** on **March 26, 2008** through **Nogales, Arizona**. These same records show that the defendant has not applied for permission from the Attorney General of the United States or his designated successor, the Secretary of the Department of Homeland Security, to return to the United States after being removed.
